

Ryan Schwartz
Wellness Counselor III

Ryan began his voyage in the social services field in year 2000, working at Systems Unlimited in Iowa City, IA. After obtaining a degree in Therapeutic Recreation in 2003, Ryan discovered his passion for working with adults in the mental health field. At Pathway Living Center in Clinton, IA, Ryan provided supported community living services to people in their homes and the community. In 2012, Ryan met his wife and relocated out to Monterey, CA to continue his career as a mental health professional.

In Monterey, Ryan managed housing for and provided support to adults experiencing chronic mental health issues. In 2017 Ryan made the decision to move back to the Midwest in order to be closer to friends and family. Ryan enjoys spending his free time outdoors playing disc golf, hiking and fishing. Ryan is currently completing his Master's degree in social work at the University of Iowa with a graduation date of 2021.
